Mayor's Update 12, December 15, 2020

Hi North Kawartha, I'm back with another quick update on the progress we've made in supporting our community following the fire at Sayers food.

One of Sayers' partners, Loblaws, has stepped up to support residents and cottagers by providing a curbside pickup program over the holidays.

Grocery orders can be made online from the Peterborough Superstore and be picked up at the North Kawartha community centre on December 20, 21 or 22 by visiting superstore.ca/apsley. The prices and sales are the same as shopping in the store, and the company has waived all pick up fees.

Our hope is that this program, alongside the Community Care programs and Food bank supply will help keep food on the table for our community this holiday season.

Arranging this in time for the holidays was no small feat, and we are in discussion with Loblaw and the Peterborough Superstore to continue supplying this service until Sayers is rebuilt.

In addition to this program, I also want to thank Loblaws and the Peterborough Superstore for their generous \$5,000 donation to the North Kawartha Food Bank to help ensure the most needed products remain stocked for our community.

Please visit the website www.superstore.ca/apsley to arrange your groceries or contact PC Express at 1-844-295-8219. You can also contact our township EDO Chris Challenger (705)-656-5152 for more information.

THANK YOU
