Mayor's Update 13, December 18, 2020

Hi North Kawartha, I'm back for the second time this week! Winter has finally arrived in all its cold and brilliant glory, bringing with it ice and snow and winter driving challenges.

So if you want to avoid making that out of town trip for groceries, this a quick reminder that the PC Express curbside pick-up program offered by the Peterborough Superstore starts this weekend.

They are offering FREE pickup of online orders at the North Kawartha Community Centre on December 20, 21 and 22nd. The deadline to order for the first pickup this Sunday is by midnight tonight. •I want to be very clear. Whether you are a permanent or seasonal resident; whether you live in town, down a back road or on one of the lakes; this program is for every North Kawarthan to use. •As we head into winter and deal with increasing pandemic restrictions around shopping and travel, this program will help keep everyone safe and reduce long distance driving.

Loblaws has really stepped up to deliver this program for our community, to help fill the void created with the loss of Sayers Grocery Store. We need to show them how valuable it is for North Kawartha by using it this holiday season.

Should it be successful, Loblaws is interested in establishing a regular curbside program for our community.

This would be an important resource that we would all benefit from until Sayers is rebuilt.

Please visit the website superstore.ca/apsley to arrange your groceries or contact PCExpress at 1-844-295-8219.

You can also contact our township EDO Chris Challenger (705)-656-5152 for more information.

THANK YOU!
