

2019-2022 Strategic Plan – Township of North Kawartha

Provide leadership, education, infrastructure and cost effective resources to ensure sustainable rural and urban growth.

1. Infrastructure – Investments in Municipal Infrastructure

- Ensure that existing infrastructure is sustained prior to expanding and/or investing in new infrastructure.
- Plan infrastructure development with Demographic Needs.
- Explore complete communities / street scaping.

2. Economy – Guide Economic Growth for a Sustainable Community

- Implement the Community Improvement Plan(CIP).
- Develop an Economic Development Strategic Plan.

A united and healthy community connected to our natural heritage.

3. Governance - Maintain a Strong, Accountable Municipal Government

- Maintain policies that enable effective governance.
- Provide Quality Community Programs and Services.
- Provide for effective Township Communications

4. Environment - Protect and Enhance the Environment

- Promote Responsible Environmental Stewardship.
- Protect the Human Environment.
