

Public Notice: COVID-19 #8- April 9, 2020

Seasonal Water Testing Courier Service Paused Due to COVID-19

The seasonal water testing courier service at the Township of North Kawartha has been suspended until further notice. We apologize for any inconvenience.

Please drop off fresh, cold water samples along with fully completed paperwork. There are two locations available for water sampling drop offs.

1) Public Health Ontario Laboratory at 99 Hospital Drive, Peterborough between the hours of 8:00 a.m. and 4:30 p.m. 705-743-6811.

2) Hastings Prince Edward Public Health located at 1 Manor Lane on Tuesdays and Thursdays 8:30 am-12 pm with drop off in Cooler in front of "The Café". Please call ahead to ensure program is still running, 1-613-332-4555.

Test results will be available by phone or email.

Water bottle testing kits will be made available for pick up Monday to Friday 9:00 am - 4:30 pm, at the North Kawartha Municipal Office. Please call ahead to arrange a pick up time 705-656-4445.

Paper work for testing must include the following:

Full Name, Address of the Sample Location, Date, Location of Water Source, Peterborough Public Health Number is #2255, Hastings & Prince Edward Public Health is #2238

Please note **The Labs will not test the sample if any information is missing or incomplete. **

Testing well water regularly keeps you and your family safe.
