Public Notice: COVID-19 #14, May 25, 2020

Limited Re-opening Of North Kawartha Outdoor Sports and Recreational Amenities

Some North Kawartha Sports and [Recreational Amenities](#) are re-opening (with restrictions). Included are the Tennis/Pickleball courts (singles only) and baseball diamond at Wilson Park, in addition to the Picnic Shelter and Benches at Wilson Park and the Glen Alda Community Centre.

Individuals who use the opened amenities for the above purposes are required to physically distance (stay 2 metres apart), unless they are members of the same household.

Individuals are not permitted to play team sports, such as soccer or baseball, even on fields intended for this purpose unless they are members of the same household.

To help protect the health and safety of the public, the Township of North Kawartha continues to suspend all programs and/or services at the North Kawartha, Wilson Park, and Glen Alda Community Centres, until further notice.

In compliance with [Provincial Government orders](#) to prohibit organized public events and social gatherings of more than five people, Wilson Park, Glen Alda, and Lions playgrounds are closed, Chandos and Quarry Bay Beaches are closed.

Water Access Points

Water access points (boat launches) are open, as they do not have high traffic volumes, or what would be considered “high touch” surface areas. Public docks and wharves are open, but physical distancing still applies in open recreational locations, and gatherings of more than five people are prohibited.
