

## **Instructor/Coach/Volunteers Needed For All Parks and Recreation 2020 Spring and Summer Sports!**

The Township of North Kawartha appreciates the assistance we receive from our Instructors and Volunteers for all programs whether youth or adult orientated. Without your participation many of these programs may not exist.

There are many benefits to volunteering for our sports programs, not the least of which is acquiring your volunteer hours. All secondary students are required to complete 40 hours of volunteer community involvement to receive their secondary school diploma. This community involvement requirement encourages students to develop an understanding of the various roles they can play in their community, and an appreciation for the value of community service.

Community involvement activities must be unpaid, not take the place of a normally paid position, and cannot be part of normal daily classroom times or requirements. All of the activities listed below qualify for volunteer hours, contribute to the betterment of the community, and are fun! What more could you ask for?

If you can assist us with ANY of the programs listed below, please call Jim Elder at 705-656-4445 ext 251, or email: [j.elder@northkawartha.ca](mailto:j.elder@northkawartha.ca)
