

Instructor/Coach/Volunteers Needed For All Parks & Recreation 2022 Spring and Summer Sports!

The Township of North Kawartha appreciates the assistance we receive from our Instructors and Volunteers for all programs whether youth or adult orientated. Without your participation these programs will not exist.

There are many benefits to volunteering for our sports programs. For example, all secondary students are required to complete 40 hours of volunteer community involvement to receive their secondary school diploma. This community involvement requirement encourages students to develop an understanding of the various roles they can play in their community, and an appreciation for the value of community service.

Whether a parent, guardian, or community-minded volunteer played, or is knowledgeable about a particular sport, is not necessarily a requirement. It's your willingness to help organize and coach a team in how to have fun that is the main qualification.

Again, we cannot stress strongly enough that without Volunteer Instructor/Coaches, these programs are not viable.

If you can assist us with ANY of the programs listed below, please call Jim Elder at 705-656-4445 ext 251, or email: j.elder@northkawartha.ca
