Fundraiser	2
Ice Show	2
Important Dates	2
Calendar	3

It is hard to believe that December is here already!

It is this time of year that I really start getting into the planning of the ice show. I know it might seem early to start, but there is a lot of work that goes into the planning, so I like to get started before the Christmas break. Our last day of skating before the break is Tuesday, December 18th. On the 18th at 6:00 pm we will have our Christmas Family Skate, which is open to all skaters and their

families. Please come on out for a skate, hot chocolate and cookies.

Speaking of Christmas, I have a great idea for a stocking stuffer! Why not buy a couple of tickets for Yuk Yuk's Comedy Night, which is being held on August 10th, 2019 at the NKCC? It is giving the gift of laughter, and paying your fundraising fees for the skating club at the same time. If interested please let Jim Elder, Dawn Knightley, or me know, and we will sell you some tickets.

For additional information about our Fundraiser, see the next page.

I invite all skaters and parents to join our [Facebook](#) page North Kawartha Skating Club. I will post news, information, reminders and interesting skating articles. Parents, if you have any questions or concerns, please contact me anytime, at dainaashton@yahoo.com.

About The Coach

A lot of you are returning skaters, but for those of you that are new to our skating club, I would like to tell you a bit about my skating background.

I started skating lessons at a very young age and continued with them through high school. I competed at Canadians with a precision skating team for three years, amongst other competitions within Canada and the

United States. After high school, I attended Seneca College where I received a diploma in Figure Skating Coaching Techniques, and acquired my National Coaching Certification Level 1, Level 2, and Level 3 theory and technical. I have coached at different clubs within Toronto, St. Catharines, Yellowknife, NWT, and Queenstown, New Zealand. I also toured with a professional ice show in South America for close

to two years, spent two summers in Japan skating in a park show, and toured Australia and New Zealand for one year.

This is my fifth year coaching for the North Kawartha Skating Club and I am excited and looking forward to another great season of skating!

The Importance Of Our Fundraiser— Please Read!!

Fundraisers and parent volunteers are an integral part of ensuring the viability of most programs, and that is true for the North Kawartha Skating Club. Fundraising assists us in keeping annual registration fees affordable, and helps to cover ALL other skating club expenses such as

ice show costumes, lights, and the other expenses that help us put on such a great show at the end of the season.

This season's annual Yuk Yuk's fundraiser will be held on Saturday, August 10th, 2019. For this event to be successful we need not only volunteers to help at the event, but it is also extremely important that parents help with this fundraiser financially. In the past, parents were obligated to pay the

cost of their child's costumes for the ice show, which could add up to hundreds of dollars. And on top of that, throughout the season, there would be multiple fundraisers such as the selling of chocolate bars. Throughout the winter there are so many fundraisers through the school and other events, that adding another one is not ideal.

That is why the Yuk Yuk's show is really a great way to fund raise with just one event. It is one night in the summer, it's extremely affordable and it is a night of laughter, great food, and a chance to spend time with family and friends.

Currently, this is the one and only fundraiser we have, and as the participation of skating parents has been very low (even though the Fundraiser is to their benefit), we must ask every skater to be responsible for two Yuk Yuk's tickets, which is \$40 at \$20 a ticket. The tickets can be used by the

parents, they can be sold (if you need more please ask), or the tickets can be purchased but donated back to be re-sold. These tickets are available to purchase immediately, and we would like all fundraising money to be paid by March 1st, 2019.

I know it is difficult to commit to plans so far ahead, especially in the summer, but again, the money from our Yuk Yuk's fundraiser goes directly towards the skating club's many expenses. If you have any questions about Yuk Yuk's, please ask me or Jim Elder.

Our last Yuk Yuk's fundraiser was held on August 11th and once again it was a really fun night. I would like to personally thank our volunteers that make this event possible: Randy Greene, Shandis Wilson, Blair Wilson and Dawn Knightly. I'd also like to say a special thank you to Jim Elder, for all his help and time he puts in to organizing this event.

Ice Show - "The Greatest Show On Ice" March 16th

Our annual ice show will be on March 16, 2019. The ice show gives all the skaters an opportunity to showcase all the hard work they have done, and what they have learned.

The theme for this year's show is "The Greatest Show On Ice".

The annual ice show does take place the same week as the kids' March break. Please let me know as soon as possible if your child will

not be here during that week.

The success of the show is added to with the help of our volunteers, and I look forward to working with all of you in the planning and preparation of
