Winter 2021/22

Daina's Notes

Well I can't believe we are halfway through the skating season and the Christmas holidays are quickly approaching. I hope you have all enjoyed your time on the ice as much as I enjoy being on the ice with you.

I wanted to let you know about a few things coming up in the new year. I have been thinking of a new skating program that would allow me to share my passion for skating with more people in the community. I had the idea to offer an adult skating class which would give more people the opportunity to skate and take lessons. The class would be offered to anyone 16 years of age and older and open to all skating levels. The only requirement is a pair of skates and the desire to have some fun, and maybe even learn a new skill. Registration forms can be found at the front desk and on the NKCC website and will be kicking off on January 4th. Classes available both Tuesday and/or Thursday 5:00 to 5:50pm.

January also brings the planning of our annual ice show, when the skaters get to show off all of their new skating skills. It has been a long time since we have had our show, and I am hopeful that this year it will happen. Normally the ice show is held the end of March, but this year we are adding an extra week and having the show on April 2nd. More information on this will be available in the new year.

In a "normal" season the NKFCSC holds a fundraiser in August, featuring comedians from Yuk Yuk's, and it is always a fun night with lots of laughter, great food, and a good night out with friends. I am very hopeful that we will once again have our annual Yuk Yuk's fundraiser in August 2022.

The money raised from the fundraiser goes towards offsetting the costs of putting on our annual ice show, which is always fantastic! The skaters work so hard throughout the skating season, they get to dress up in great costumes, and show their family and friends all the new skills

they have learned. The Ice Show gives purpose to their lessons, and is a wonderful way to cap off the season. It's a great night of watching the young stars of Apsley perform, while creating a real sense of community.

If you have any questions please do not hesitate to contact me at dainaashton@yahoo.com

I would like to wish everyone Merry Christmas and Happy Holidays and all the best in the New Year!

Thank you, and please stay safe!
