

North Kawartha Figure Skating Club

Issue 2

March, 2022

Winter/Spring 2022

Daina's Notes

Well...what a year, or two! I know the last two years have been difficult but I feel like we are slowly getting back to some version of "normal".

As the season comes to an end I have been trying to think of a way to celebrate the skaters, in place of having our usual ice show. I am really thankful for the skaters that have been coming out during this very different skating season, and I would like the skaters to have an opportunity to skate for their families and friends. We would like to have this "end-of-season-skate" on Friday, April 1st at 7:00pm. It will be a small demonstration, during which all the skaters and their families can enjoy being together again. It would be ideal if the skaters could arrive at 6:30 to get their skates on and to get organized.

I know that this is late notice and I am sorry about that. There have been so many changes and unknowns this year that it has been difficult to plan more than a couple of weeks in advance. I really hope that this works for everyone, and it would really be great if everyone is able to make it. If you are not able to make it, please let me know by either messaging, email, or talk to me at the rink.

I am not sure how many of you have attended the Skating Club's annual fundraiser but I must tell you...I have really missed this event. The North Kawartha Figure Skating Club has one annual fundraiser and that is a night with the Yuk Yuk's comedians. After missing the last two years, we are planning our Yuk Yuk's Fundraiser for Saturday, August 13th. It is always a fun night with lots of laughter, great food, and a wonderful night out with friends.

The money raised from the fundraiser goes towards offsetting the costs of putting on our ice show (which will return next season), and it also helps keep our annual registration fees down. Fundraising and parent volunteers are an integral part of ensuring the programs viability. For this event to be successful, we need not only volunteers to help at the event, but it is important that parents assist with the fundraiser, financially.

This is the only fundraiser that we have, and we ask that skaters' parents purchase 2 tickets, at \$20 per ticket to use, sell, or give away to someone. Please remember this is an Age of Majority event, and there will be food and beverages for purchase.

Tickets for the Yuk Yuk's Comedy Night Fundraiser can be bought at the NKCC. Please see Jim Elder or myself with any questions.

Be sure to check the Township website at www.northkawartha.ca for all kinds of area and community information, but especially the Figure Skating page for the late summer Figure Skating Boot Camp, and next season's Figure Skating Club dates and registration, as they become available. Many thanks to all the parents and skaters who have shown such patience and co-operation during these challenging times!

Daina
