Public Notice: COVID-19

Community Centre and Recreational Facility Closures

To help protect the health and safety of the public, the Township of North Kawartha has suspended all programs and/or services at the North Kawartha, Wilson Park, and Glen Alda Community Centres, until further notice.

In compliance with [Provincial Government orders](#) to prohibit organized public events and social gatherings of more than five people, Wilson Park, Glen Alda, and Lions playgrounds are closed, Chandos and Quarry Bay beaches are closed, as are all other North Kawartha Sports and [Recreational Amenities](#) (Fitness Centre, tennis/pickleball and volleyball courts, baseball diamonds, etc.)

Water Access Points

Currently, water access points (boat launches) remain open, as they do not have high traffic volumes, or what would be considered “high touch” surface areas. A reminder that physical distancing still applies in open recreational locations. For the reasons stated above, public docks and wharves are closed, to prevent groups from forming at these locations.

Provincial Parks

In compliance with [Provincial Government orders](#), to ensure public safety, all provincial parks are closed to the public. This includes car camping, backcountry camping, roofed accommodations, day-use opportunities, and all public buildings.
