

Public Notice: COVID #19 Sept., 2, 2020

North Kawartha COVID-19 Services and Information Update

The Township of North Kawartha is taking actions to help protect the health of our Community during the COVID-19 pandemic. Updates will be provided as new information is available.

- The Municipal Office will reopen to the public on Tuesday, September 8, 2020 at 9:00 am. As we have ongoing renovations on the lower level, Building & Planning, please call to make an appointment 705-656-4445 ext. 264. Face coverings/ Masks must be worn in accordance with the Peterborough Public Health directives when entering or visiting the Municipal Building.
- **Please review our Screening poster upon entering and do not attend the Municipal Office if you are sick or have any symptoms.**
- We encourage customers, where possible, to conduct business through the phone or email or to [contact municipal staff](#) to arrange an in person appointment by calling 705-656-4445, 1-800-755-6931 or their direct line.
- **Customers who wish to visit the office in person should be aware that only one person is permitted at the front desk counter and one person is permitted to wait in the entry area. (Exceptions made for another member of the same social circle or a support person) All others must line up outside and please remember to practice physical distancing. Please be patient while you wait your turn.**
- Look for Floor Decals and signage in and around the building to help maintain Physical distancing and please use the hand sanitizer provided at the entrances.
- **Customers may pay their [taxes online](#) or can use our drop box located to the right of our main door 24 hours per day, 7 days per week. Please indicate if you would like a receipt mailed to you.**
- The Township will continue to hold meetings of Council and Committees electronically until the end of 2020, to be reviewed in January, 2021.

We appreciate your cooperation. Please monitor www.northkawartha.ca for updates and [subscribe](#) to our website.
