2025 Report to Council

To: Mayor and Council Members
From: Judy Everett
Date: May 14, 2025
Subject: 2025 First Quarter Financial Activities

Recommendation:

That Council pass a motion to receive the Financial Activities Report and the Salaries and Benefits Breakdown Report for the 2025 First Quarter as prepared by the Treasurer.

Background:

The Financial Activities Report and the Salaries and Benefits Breakdown report are provided to Council for each quarter.

Analysis:

The Financial Activities Statement covering the period January 1, 2025 to March 31, 2025 is attached. The pro-rated amount of budget used to March 31, 2025 is 25%. Being early in the year, it is difficult to anticipate any year-end surplus or deficit, however, any known anomalies to date are recorded in the 'Notes' column. The low percentages that are indicated on the report are expected to increase throughout the year. The high percentages would indicate that the majority of that category is a one-time expense, or that most expenses for that category are paid in the first quarter; for example most memberships are paid at the beginning of the year.

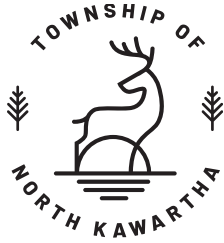

The 2025 First Quarter Salaries and Benefits Breakdown Report is attached for information.

Financial Implications:

The reports attached include departments' financial information.

Strategic and/or Other Plans:

Governance – Maintain a strong, accountable, Municipal Government
