APPENDIX “A” to By-law 2025-0050

Correspondence Protocol

A large amount of correspondence is received on a daily basis by the Township which is intended, in some way, for Council’s information and/or action.

It may be addressed to:

the Mayor

Council

all municipalities in Ontario

individual councillors

the municipality generally

the Clerk

individual Department Heads

the Chief Administrative Officer (CAO)

This information may be very generic (like information addressed to every municipality in the province) or very specific (like a complaint addressed to a specific councillor). There is always a subjective element to the decision to add an item or not.

Implementation of a “*Correspondence Protocol*” will assist with the following goals:

- categorize correspondence for efficiencies at Council Meetings;
- ensure due regard is given to correspondence action items

Responsibility and Interpretation

Individual members of Council are responsible for:

- their own communications to constituents and;
- bringing forward to Council, **through the Mayor**, items of correspondence deemed important to provide to Council as a whole either for action or information.

Members of Council and Staff shall be fair and unbiased when giving consideration to responding to and adding items to the Agenda. It is recognized that consideration is subject to interpretation. Correspondence items that are timely or may have been missed may be considered as an addition to the Agenda by motion of Council preferably at the time of adoption of the Agenda, however items added to the Agenda do not provide advance notice to the public.

Protocol Procedures

It is proposed that correspondence in the future will be categorized into three categories and dealt with in the following manner:

1. Personal Correspondence addressed to a member(s) of council

Includes: correspondence which is received by any means (ie. regular mail, fax, email or in-person) by virtue of a Councillor’s membership in a certain group, complaints to a specific councillor or the Mayor, AMO Watch File, Letters of Appreciation or Thanks, Announcements, Event invitations

Protocol: All such correspondence will be provided directly to the member of Council in the format received. The original will NOT be retained by staff in a general correspondence file and will NOT be acted upon unless directed by Council as a whole or the CAO. Individual members are responsible for their own communications to constituents and it will be up to the individual member to respond as appropriate. If assistance is required from Staff, the correspondence shall be provided to the CAO for follow up or distribution to the appropriate Staff member.

Any member of Council wishing the item of correspondence to be put before

Council will inform the Clerk, **through the Mayor**, and will indicate if it is for information or for action and the recommended action. The Clerk's department will add the piece of correspondence to the next available Council agenda.

2. Correspondence for Information Only – Formally received by Council

Includes: any mail, email or fax addressed to every Council / Municipality in the Province, newsletters or bulletins from outside agencies, correspondence received by the CAO, Department Head or other Staff member which they believe is of interest to Council, correspondence from other municipalities requesting support of their resolution, requests for declarations and proclamations

Excludes: personal correspondence of Council, correspondence requesting an action be taken and duplicate support resolutions that have already been received by Council

Protocol: This correspondence will be collected and the item of correspondence will be placed on the Consent Agenda. If Council wishes to pull an item from the Consent Agenda for separate discussion or for action they may do so by amending the resolution to receive.

3. Correspondence for Action – Council provides direction

Includes: correspondence addressed to Council requesting a specific action on an item (e.g. request for funding, change in policy), correspondence received by the CAO, Department Head or other Staff member that in their opinion requires an action by Council, an item that requires council adoption, approval or action by statute

Excludes: Correspondence from other municipalities requesting support for their resolution which will only be received unless separated by Council for support

Time sensitive correspondence such as requests for advertising will be handled by the appropriate department head if included within the current approved budget.

Protocol: The full item will be included as an attachment to the agenda package. The Clerk's Department or appropriate other department will respond to all Correspondence for Action as necessary.
