Dear Mayor Amyotte and Council Members

We are writing you to request installation of a Level 2 EV charging station for electric vehicles at the North Kawartha Health Centre. Three employees currently drive e-vehicles daily and would benefit from having access to an efficient charging method while at work. Both myself and Dr. Wageman travel over an hour each way and are e-vehicle owners as well as one other employee, so far.

Please advise if this is something that can be considered in the upcoming budget planning as it supports a commitment to a greener, most sustainable environment.

Sincerely,

Dr. Paul Hassor  

Dr. Jeremy Wageman
