**Re: Tree Funding Opportunity**

**95-2026**                      **Moved by: Deputy Warden Senis**  
**Seconded by: Councillor Huntley**

Whereas Peterborough County has adopted a Sustainability and Climate Change Action Plan which identifies the importance of seeking opportunities to naturalize properties by planting native plants and trees;

Be it resolved that Peterborough County Council acknowledges that Peterborough County is applying for a funding opportunity from the Federation of Canadian Municipalities' Growing Canada's Community Canopies initiative for a residential tree giveaway program; and

That Peterborough County also recognizes that the lifetime contribution from the Growing Canada's Community Canopies initiative will not exceed \$10 million for tree planting within our municipality, inclusive of a maximum contribution of \$1 million for infrastructure activity costs, and that if approved this project will be counted towards that limit; and

That staff be directed to reach out to each Township Council to provide a template and request a resolution of support before June 30, 2026.

**Carried**

I, Kari Stevenson, Clerk of the Corporation of the County of Peterborough, hereby certify the above to be a true copy of Resolution 95-2026 passed by Peterborough County Council at its Regular Council Meeting held on May 20, 2026.

Given under my hand and Seal of the said Corporation this 20<sup>th</sup> day of May, 2026.
