#### **Recommendation:**

#### **Background:**

Township staff included a list of roads to have crack seal and micro surface applied in the Peterborough County group purchasing tender.

The roads included in the tender for the Township of North Kawartha are Oakridge Drive, Tucker Street and Tucker Street North.

#### **Analysis:**

Two bids were submitted with Miller Paving being the low bidder with a bid of \$69,967.00. The County of Peterborough reviewed the bids, and they determined that the bid was complete and compliant with the conditions stipulated in T-01-2025.

### **Financial Implications:**

The supplied bid from Miller Paving Limited is within the 2025 Capital Budget. The municipality may incur some additional costs for crack sealing prior to the application of micro surface as the unit price for crack sealing is per metre. The measurements were completed prior to the issuance of the tender and some additional cracking may occur prior to construction start up. Any additional crack was accounted for in the 2025 Capital Budget.
