Please make sure that all items are both clean and dry

All items collected will be sorted, counted and/or weighed before being sent off to respective community partners.

Please only send the items on our list. Random items cause challenges and additional work with storage and disposal. If you are not sure about other items - please ask.

This program brought to you and supported by:

If you would like to donate or collect other items within our community, please email Steve at cleanuppeterborough@gmail.com for more information
