

Public Transit Study

We are exploring new public transit options in Peterborough County, and we want your input.

This study will understand how transit could be provided between our communities and the overall demand for service in the County.

Please share your feedback

We want to know your travel needs, key destinations, and other project feedback to help inform potential solutions.

Attend our open house

June 25, 2026 5 p.m. to 7 p.m.
Douro Community Centre

Fill out our online survey

Available until July 10, 2026
