Request for Agency Information/Engagement**

The Municipality of Trent Lakes has retained the services of Jp2g Consultants Inc to assist with the preparation of a new Zoning By-law. The intent is to ensure the new Zoning By-law reflects the new County of Peterborough Official Plan, current Planning Act regulations and best practices.

You will be able to access the current consolidated version of the existing Trent Lakes Zoning By-law 2014-070, a Preliminary Issues Report, along with project timelines and expectations at <https://www.trentlakes.ca/build/planning-and-development/zoning/2026-zoning-by-law-update/>

We would appreciate it if your preliminary comments and information could be provided to me by August 21, 2026.

If you wish to discuss this matter further, please feel free to contact me at your convenience.
