

Also, Lisa did a desert night.
A yummy enjoyable evening,
sharing recipes & chatting.

The work put into the pots
in front of the library. Celebrating
every season & occasion, ^{+ person} so
fun, & wonderful to see.

The people she has brought into
the library, to teach young & old
alike. How I would of loved
programs like this for my kids
when young. How I wished my grands
lived closer so they could participate.
The sewing classes, garden classes,
... so many more. Because of Lisa,
~~she~~ it made me want to volunteer.

So, I helped w the Xmas cookie
baking event. So fun. I'm sure you
are aware of what an asset Lisa is,
but just thought I'd let you know
... thank you for hiring her.
Look forward to what she has planned
for 2026 Sincerely: Joanne Trotter

Dear Mayor Amyotte & Council,
I've been meaning to write this
letter for a while, but, like life,
time gets away from me.

I just wanted to talk to you
about one of your employees,
Lisa Mace. Thank you so much
for adding her to your team.
Such a wonderful asset. I
started going to the book club
she started a year O.K. Not like
your normal Book club, where
everyone read the same book, then
discussed it at the end of the mth.
Instead, we each read what we
wanted to, then each told the others
what the book was about. Oh my,
the variety, & the many laughs + deep
conversations we'd have over these
books. Did you know that over one
year, between our sm. group we've
read over 200 books! ^{my list of reads} gets longer + longer
LOL

P.8. I was motivated

to write you,
because I heard she's
on leave, & I hope
she comes back soon
