Letter from the Chair

It is with great pleasure that I introduce the inaugural Annual Report of the Peterborough County OPP Detachment Board.

Our Board was established as a direct result of the crucial changes brought forth by the Community Safety and Policing Act, 2019 (CSPA). While previously, each municipality had its own Police Service Board (PSB), all have been amalgamated into a single OPP Detachment Board. This landmark legislation has redefined the landscape of police oversight and governance in Ontario, moving towards a more transparent, accountable, consistent, and community-centric model.

As a newly formed entity, the Peterborough County OPP Detachment Board is still in its foundational stages, diligently working to put the necessary structures and processes in place to fulfill our mandate effectively.

The core purpose of this Board is to enhance police oversight and governance within Peterborough County. We serve as a vital link between the Ontario Provincial Police and the communities they serve. Our role includes providing strategic guidance to the Peterborough OPP Detachment, ensuring accountability and transparency in local policing, creating a forum for the community's voice to be heard, monitoring performance of the Detachment, and establishing local policies. We commit to fulfilling our mandate while also exercising fiscal prudence at a time where municipal budgets face significant constraints.

We recognize the importance of strong, collaborative relationships with the Peterborough OPP, First Nations councils, municipal councils, and most importantly, the citizens of Peterborough County.

This Annual Report provides an overview of our initial steps and lays the groundwork for our ongoing commitment to public safety and effective police governance. We look forward to continued collaboration and progress in the years to come.

Sincerely,

A handwritten signature in dark ink, appearing to read 'JBK' with a stylized flourish at the end.

Message from the Detachment Commander

I am pleased to present the Peterborough County Detachment – 2024 OPP Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data, and highlights initiatives and successes from the past year. 2024 represents the midway point of the Peterborough County Detachment 2023-2025 Action Plan and this report provides updates on our progress in meeting our Action Plan commitments.

In 2024, our detachment responded to a rise in criminal activity linked to addiction and mental health by expanding our Mobile Crisis Response Team (MCRT). In partnership with the Canadian Mental Health Association, we implemented a co-response model that pairs officers with mental health clinicians, enhancing our ability to connect individuals in crisis with local services and bridging the gap between addiction and mental health care.

We remained committed to traffic safety, using electronic traffic analysis to guide enforcement and engagement efforts. This data-driven approach contributed to a 69% reduction in fatal motor vehicle collisions. To support transparency and evidence collection, we deployed Body-Worn Cameras across our frontline officers, complementing our existing In-Car Camera and ALPR systems. These technologies enhance both public and officer safety.

Our engagement with community partners remained strong. We developed new protocols with Peterborough Regional Health Services to improve care coordination and reduce barriers to access. We also participated in the National Day for Truth and Reconciliation and Indigenous Veterans Day with Hiawatha First Nation, reinforcing our commitment to reconciliation. Finally, we honoured the memory of fallen officer PC Norman Maker (Badge #98), who was killed in the line of duty in 1928, through a Bridge Dedication Ceremony attended by local and provincial dignitaries.

In 2025, we will be working with the Peterborough County OPP Detachment Board to form the 2026-2029 Peterborough County Detachment Action Plan. This work will include engaging with community members to ensure the needs of the communities we serve will be reflected in the commitments we make. Development of the 2026-2029 Peterborough County Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan to ensure organizational alignment and support.

The Peterborough County Detachment – 2024 OPP Detachment Board Annual Report begins to bridge the gap between *Police Services Act* (PSA) and *Community Safety and Policing Act* (CSPA) reporting requirements. In collaboration with relevant OPP program areas, working groups and Peterborough County OPP Detachment Board this report will continue to develop in the years to come to include content from the OPP Detachment Board Chair(s) and additional data and updates from the OPP.

From detachment administrative staff to frontline uniform members to specialty units to supervisors, our members continue to serve with pride, professionalism and honour. As we anticipate future challenges and opportunities for policing and community safety, we remain dedicated to our mission of serving our communities by protecting citizens, upholding the law and preserving public safety.

<p>The Peterborough County Detachment is committed to investigative excellence through a victim-centered, trauma informed approach for all investigations. Thorough and complete investigations will assist in reducing violent crimes while ensuring that all victims receive the supports that they require.</p>	<p>In 2024 we introduced a new position at the detachment – Detachment Abuse Issues Investigator (DAII). This role-based detachment position is a critical component to ensure our members are trained to respond, identify and investigate incidents of abuse, while supporting the needs of the victims/survivors of intimate partner violence in alignment with our organizational values. The DAII will support frontline members and supervisors by conducting reviews, enhancing community partnerships and providing subject matter expertise to detachment-led abuse issues investigations.</p>

This commitment is inclusive of fraud, mischief and improper or unauthorized use of lands.</p>	<p>We are committed to addressing and preventing property crime in our communities, including fraud, mischief and the improper or unauthorized use of land. In alignment with this goal, our Community Street Crime Unit (CSCU), Community Engagement Officer (CEO) and our Uniform Patrol have increased our education and engagement.</p> <p>This initiative has resulted in significant seizures of stolen property, reduced the incidents of frauds, identified areas that require increased presence and improved use of our recreational areas. Through these partnerships and initiatives, we aim to foster safer, more resilient communities by reducing property crime and promoting responsible land use.</p>

2024 Roadways, Waterways and Trails Progress Updates

Commitment	Progress Update
To sustain a continuous and year-round focus on the causal factors of motorized vehicle, off-road vehicle and vessel collisions.	The OPP strives to impact the causal factors of collisions on our area roads, trails and waterways. During the last progress period we issued over 5400 speeding, 209 seatbelt and 144 distracted driving tickets, in addition to taking 186 impaired drivers off area roadways.
Work collaboratively with municipalities/county and stakeholders to develop comprehensive plans to improve road safety.	Our continued collaboration with municipalities and communities affected by serious motor vehicle collisions has led to measurable improvements, reflecting the effectiveness of our joint efforts. Improvements to Highway 28 in North Kawartha and Highway 7 through Norwood were measures that have increased safety to persons travelling in these communities.
Agriculture is vitally important to our communities. As such, we will work collaboratively with the Peterborough County Federation of Agriculture and the Ontario Federation of Agriculture to create educational opportunities and enhance road safety for operators of farm implements of husbandry and drivers of traditional vehicles on our highways.	The Peterborough County Detachment continues to support local farmers by actively promoting education and awareness around the movement of large agricultural equipment on area roads. These efforts aim to ensure that all motorists share the road safely, demonstrating patience and responsible driving behavior during peak farming periods.
Work diligently to ensure Peterborough's world class inland boating and historic Trent Severn Waterway is safe for all users.	We continue to work diligently to ensure that Peterborough's world-class inland boating experience and the historic Trent-Severn Waterway remain safe and enjoyable for all users. This year, our marine unit dedicated 105 patrol hours to operations on the water, focusing on education, enforcement and high-visibility presence. These efforts support safe boating practices and reinforce public confidence in the safety and accessibility of our waterways.

2024 Community Well-Being Progress Updates

Commitment	Progress Update
<p>Within the scope of our practice, participate in meaningful ways to address the 94 calls to action from the Truth and Reconciliation Commission (TRC).</p>	<p>In alignment with the Truth and Reconciliation Commission's 94 Calls to Action, we continue to engage in meaningful efforts within the scope of our practice. This year, we were active participants in the National Day for Truth and Reconciliation and attended Indigenous Veterans Day ceremonies, demonstrating our commitment to honoring and acknowledging Indigenous history and contributions. We also provided dedicated investigative support to our First Nations communities and expanded access to mental health services, ensuring culturally informed and responsive care. These actions reflect our ongoing dedication to reconciliation and building respectful, collaborative relationships with Indigenous peoples.</p>
<p>Ensure sufficient police resources and community engagement is focused on addressing mental health and addictions strategies and responses in our community.</p>	<p>To support our commitment to addressing mental health and addictions in the community, we continued to strengthen our partnership with the Canadian Mental Health Association (CMHA). This collaboration plays a vital role in bridging the gap between mental health and addiction services, ensuring individuals in crisis receive timely, coordinated and compassionate support. Our structure of aligning police resources with community-based expertise, has enabled us to be engaged in 514 occurrences. The detachment continues to be a member of the Peterborough Drug Strategy (PDS) and participated in their strategies and initiatives.</p>
<p>To ensure we understand and further the key commitments of the area's two Community Safety and Well-Being (CSWB) plans.</p>	<p>To advance the key commitments outlined in the region's two Community Safety and Well-Being (CSWB) plans, we continue to serve as an active partner at the leadership table. Our involvement ensures that we work collaboratively with community stakeholders, aligning our strategies and resources to support shared priorities. This partnership reinforces our commitment to proactive, coordinated approaches that enhance safety, equity and well-being across the communities we serve.</p>
<p>The OPP is actively hiring. The OPP is one of North America's largest deployed police services with more than 5,500 uniformed officers, 2,500 civilian employees and over 600 auxiliary members. The OPP provides essential services that ensure the safety and security of the people within the province of Ontario. To meet this mandate, we need community members to apply to fill all roles.</p>	<p>By attracting talent from a wide range of backgrounds and experiences, we aim to strengthen our capacity to deliver essential services and ensure the safety and security of all Ontarians.</p> <p>To support ongoing uniform recruitment efforts, we have designated members as Recruit Ambassadors who actively engage with potential applicants and share insights about careers with the OPP. Additionally, we assigned a member to a temporary recruitment role to further strengthen our outreach. We also welcomed interested individuals to participate in our Ride-Along Program, offering firsthand experience of frontline policing. Furthermore, we encouraged community members to consider joining our Auxiliary Unit, which provides valuable volunteer opportunities and a pathway to deeper involvement in public safety.</p>

Other Community Updates

Based on current crime trends and/or requests from the community, Peterborough County Detachment led crime prevention initiatives focused on fraud prevention, combating auto theft and impaired driving. We worked alongside community partners like Victim Services to increase awareness and education about Human Trafficking.

We listened to concerns from community members and Peterborough County Detachment increased community patrol on our major arteries. This resulted in increased enforcement and engagement with over 5900 offences notices served on drivers in our area. We saw a 69% decrease in fatal motor vehicle collisions on our roadways in addition to the reduction of collisions on our trails and waterways.

We fostered a welcoming and secure environment throughout Peterborough County, ensuring that all individuals felt safe and supported. Our efforts contributed to a positive experience for a wide range of visitors who attended summer camps, cottages, educational retreats and recreational areas across the detachment area.

In 2024, the Peterborough County Detachment remained committed to fostering strong, respectful relationships across the community. We prioritized engagement with youth and were benefited by the shop class at Norwood High School, who constructed the detachment a covered picnic area for staff.

Strengthening relationships with our First Nations communities also remained a key focus. We proudly partnered with the Peterborough Petes and hosted a road hockey game with youth from Hiawatha First Nations. We attended events which included Indigenous Veterans Day and participated in ceremonies and learning at the National Day for Truth and Reconciliation, deepening our connection with local Indigenous partners and reaffirming our commitment to reconciliation and mutual respect.

- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the Community Safety and Policing Act (CSPA)

To implement the SDM, the OPP has submitted a seven-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond rapidly to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Address municipal concerns about reduced police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (figure 1). These targets reflect how time should ideally be distributed by the end of the seven-year strategy.

The targets are based on a provincial average and variations are expected between detachments due to differences in geography, operational structure, recruitment and other absences.

In the short term, detachments may face challenges in achieving these targets. Continued improvements in scheduling tools, data integrity, and strategic deployment will support progress toward these goals.

SPEAK WITH AN OFFICER FOR ALL OTHER MATTERS

To arrange to meet an officer at a detachment, go to www.opp.ca to use the Local Detachment Finder and follow the prompts.

REPORT AN INCIDENT ONLINE

You have the option to report select occurrences to police from the convenience of a computer.

Visit www.opp.ca/reporting to use the Citizen Self Reporting system. Specific incidents can be reported online without attending a detachment or waiting for an officer.

You can use this system to report:

- Theft Under \$5,000
- Mischief / Damage to Property Under \$5,000
- Mischief / Damage to Vehicle Under \$5,000
- Theft from Vehicle Under \$5,000
- Lost / Missing Property Under \$5,000 including a licence plate(s) or validation sticker(s)
- Theft of any type of gasoline from a gas station

- Theft from Vehicle Under \$5,000
- Lost / Missing Property Under \$5,000 including a licence plate(s) or validation sticker(s)
- Theft of any type of gasoline from a gas station
- Driving Complaints

Do not use this system if this is an emergency! If it is, call 9-1-1.

9-1-1 is for police, fire or medical emergencies only.

Accidental, hang-up or abuse of 9-1-1 calls tie up emergency lines, communicators and officers which could result in the slower response to a real emergency, risking the safety of people who need urgent help.

#KnowWhenToCall

If you've dialed 9-1-1 in error, stay on the line. Your call will be connected to police. Answer all questions asked by the communicator. This eliminates a lengthy follow up process that may lead to officers attending your location to ensure your safety.
