Welcome to Peterborough County's

View Let Me Map 2.0 Tutorials

This application requires the use of Edge, Chrome, or Safari on a device that has at least 8GB of RAM and that is capable of rendering graphics smoothly.

The map may take time initially to load data on your browser. As you use it more often, you will enjoy faster speeds, shorter load times, and smoother interactions.

Please note that regular maintenance may cause service interruptions on Fridays between 8:00am and 9:00am.

Build Your Map

- Use [Layers](#) to turn on/off the information you need.
- View the [Legend](#)

Quick Menu

- Click [I want to...](#) to quickly access common tools.

Explore

- Look up addresses, roll numbers, roads, lakes, or lots online only using [Search](#)
