

Pre-Authorized Tax Payment Plan - Important Information

Payment Plan Options

1. **Monthly Installment Plan:** 10 installment payments to be paid January through October
 - Payments are withdrawn on the 15th or the last business day of each month
 - Payments must be paid by automatic debit from taxpayer's bank account
 - Property taxes cannot be past-due or in arrears
 - January through July installments are calculated on the previous year's tax levy/ies
 - August through October installments are adjusted to reflect the increase/decrease in the current year's total levy
 - Letters are sent in December and July to advise of the change to the amount
2. **Regular Installment Plan:** Interim and final installments are withdrawn on each regular installment due date.

You will continue to receive your tax bills for information purposes only even after you sign up for pre-authorized payment. Your tax bill will indicate you are on pre-authorized payment.

Enrollment, Bank Account Changes and Plan Cancellation

You must submit a Pre-authorized Tax Payment Application to enroll. Written notice is required for bank account changes, cancellation of your payment plan or any other changes.

Selling Your Property?

Your pre-authorized program is not transferable. You must cancel the application when you sell your home and complete a new application form for your new property.

Supplementary Taxes and Additional Charges

Payment for tax bills issued for Supplementary Assessments and additional charges will not be withdrawn automatically. However, they must be paid by the due date indicated on the bills or the account will be removed from the pre-authorized plan.

Penalties

For each payment that does not clear your financial institution, you will be charged \$25. In addition, a penalty of 1.25% may apply on outstanding taxes. If a new payment is not sent within the specified time or you have two returned items, your account will be removed from the pre-authorized plan. Your account must be in current standing for one year in order to re-enroll in the plan.
