Purpose and Effect: The proposed amendment upon coming into force and effect, would serve to amend By-Law #26-2013 to change the zoning of the subject property from Shoreline Residential (SR) to Shoreline Residential-Permanent-Exception (SR-P-E) to permit year-round occupancy and facilitate the redevelopment of the property in the form of the reconstruction and expansion of an existing legal non-complying dwelling at a high-water mark setback of 26.7 metres (87.6 feet). The new dwelling is proposed to have an area of 91.0 square metres (980 square feet) and a maximum height of 9.1 metres (30 feet). The proposed amendment would amend By-law #26-2013 as follows:

1. To permit the reconstruction and expansion of a legal non-complying dwelling located between 15 and 30 metres (50 and 100 feet) from the high-water mark to result in a maximum 4.5-metre (14.8-foot) height increase whereas Section 3.18 (b) (iv) otherwise limits the permitted height increase of such buildings to 2.4 metres (8 feet).
2. To permit development which contravenes the applicable provisions of the Zoning By-law on an existing undersized lot whereas Section 3.18 (c) otherwise requires development on such lots to be compliant with the applicable provisions of the Zoning By-law.

All other provisions in all other respects as set out in the General Provisions and the Provisions of the Shoreline Residential-Permanent (SR-P) Zone shall apply and be complied with as identified in By-law #26-2013.
