protection de la nature

Dear Heads of Council:

I am writing to provide an update on the regional consolidation of Ontario's conservation authorities.

As part of this process, all conservation authorities have been asked to appoint two members (General Manager/CAO and one board member) of their choosing to serve on transition committees. Transition Committees will lead planning activities guiding the transition to regional conservation authorities.

Appointed members will ensure that each authority has representation that reflects local priorities and perspectives, playing a critical role in guiding and informing the transition. They will contribute to the development of transition plans and help support operational readiness, ensuring local voices remain central throughout this work.

We deeply value the ongoing support of municipalities and the importance of local perspectives in shaping decisions that affect communities across Ontario.

We are pleased to share that the process to establish the transition committees is well underway with committees expected to be launched later this summer.

Thank you for your continued collaboration and support.

Sincerely,

Hassaan Basit
CEO
