

Mayors/Warden

Deputy Mayors/Deputy Warden

Chief Administrative Officers

OPP Peterborough Detachment Board Chair & Clerk

Good evening,

Yesterday afternoon, I received an internal notification from Provincial Traffic Operations regarding community applications for performances by the OPP Golden Helmets.

Normally, I would have taken this matter directly to the OPP Peterborough Detachment Board, however, the agenda for the December 2<sup>nd</sup> meeting had already been published. Application requests are being accepted until December 15, 2024.

I am especially proud of the Golden Helmets performance team, having three (3) Peterborough County Detachment members as part of this precision riding group; Sergeant Steve Hulsman, Provincial Constable Jeff Knier, and Provincial Constable Dan Clark. I share this information with you in hope there is an opportunity to bring a performance to Peterborough County in 2025. Performances are held in June, September, and October. The performances are 30 minutes long and are an excellent way to celebrate community (or charity) events, fairs, or other special occasions.

If your community is interested, please contact me. The performance area, at minimum, is required to be 50' x 600'. The preference is a paved surface.

Please feel free to share with your agricultural and fair boards, as well as any other group that may plan community events. I have attached a link to video of a pre-Covid performance, brochure, and application.

For motorcycle enthusiasts, the team will be riding brand new 2025 Harley Davidsons this season.

Respectfully,

Chris
