A MESSAGE FROM THE CHAIR

On behalf of the Peterborough County OPP Detachment Board, I'm pleased to share our 2025 Annual Report.

I also want to recognize and thank past Chair John Braybrook for his leadership over the past year. This was a foundational period for the Board, and his work helped establish a strong base to build from.

In 2025, we advanced key governance priorities, approved budgets and policies, and made meaningful progress toward full Board membership. We also improved transparency and public access by launching a new Board webpage. This work was supported through collaboration with our First Nations, municipal, provincial, and policing partners, and it plays an important role in supporting effective policing and safer communities across Peterborough County.

As we move into 2026, our focus is to build on this momentum by welcoming new members, strengthening our policies, completing the Detachment Commander performance review, and contributing to community safety and wellbeing planning across the County.

Sincerely,

Heather Watson, 2026 Chair

ABOUT US

The Peterborough County OPP Detachment Board was established under the Community Safety and Policing Act, 2019, and replaces seven previous Police Service Boards at the lower-tier municipal level. The Board meets quarterly and as required at the call of the Chair. In 2025, the Board met seven times.

The Board advises the Peterborough County Ontario Provincial Police detachment commander assigned to the detachment, with respect to OPP services in the catchment area of the board.

Message from the Detachment Commander

I am pleased to present the Peterborough County Detachment - 2025 Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data, and highlights initiatives and successes from the past year. 2025 was the last year of the 2023-2025 Peterborough County Detachment Action Plan and this report will provide a final update and progress results from that plan.

I am proud of the work undertaken by our detachment. In 2025, the Detachment experienced an increase in overall violent crime, rising from 217 incidents in 2024 to 254 in 2025, representing a 17% increase. The most notable increases were in assault-related offences, which rose from 92 to 134, and sexual offences, which increased from 39 to 44. Despite these increases, the detachment maintained strong investigative outcomes, achieving an overall violent crime clearance rate of 76.77%, including an 82.84% clearance rate for assaults and 75% for sexual offences.

In response, the detachment prioritized victim-centred, trauma-informed investigations, increased supervisory oversight on serious occurrences, and strengthened victim referral practices. This approach contributed to a continued rise in victim service engagement, with 965 referrals offered and 419 accepted in 2025, an increase of over 43% in acceptances compared to 2024.

Property crime showed a moderate decline, decreasing from 525 incidents in 2024 to 471 in 2025. Notably, fraud offences declined for a second consecutive year, from 144 to 122, reflecting the impact of targeted fraud awareness initiatives and community education efforts.

The detachment maintained a strong focus on traffic safety throughout 2025, particularly on the “Big 4” causal factors: speed, impaired driving, seatbelt use, and distracted driving.

- Speeding charges remained high, with 5,187 issued, reflecting continued enforcement on high-risk roadways.
- Seatbelt enforcement increased, with 211 charges issued, the highest three-year total.
- Impaired driving charges, while slightly reduced from 2024, remained significant at 153 Criminal Code impaired charges, demonstrating sustained enforcement and deterrence.

Motor vehicle collision data shows that while fatal collisions increased from 4 in 2024 to 10 in 2025, alcohol or drug-related fatal collisions remained at zero, and speed or inattentiveness was identified as the primary causal factor in only two fatal roadway collisions. These results reinforce the importance of continued proactive traffic enforcement and education.

The detachment worked collaboratively with municipal partners and road authorities to address collision trends, particularly in areas with repeat speed-related and wildlife-related collisions.

In 2025, the detachment responded to 27,724 Computer Aided Dispatch (CAD) events, including 6,744 calls requiring immediate police response, reflecting sustained operational demand across urban and

rural areas. These figures underscore the complexity of policing service delivery in Peterborough County, including emergency response, mental health-related calls, and proactive public safety activities.

Despite increasing demand, frontline capacity improved. Total frontline policing hours increased for the third consecutive year, rising from 116,410 hours in 2024 to 124,690 hours in 2025, supporting improved response capability, visibility, and investigative follow-through.

Recognizing the growing intersection between policing, mental health, addictions, and social vulnerability, the detachment continued to work closely with community-based partners to support shared response models and improve service coordination. These efforts contributed to improved outcomes for individuals in crisis and reduced repeat police contact where community supports were available.

The detachment also remained committed to advancing reconciliation and relationship-building with Indigenous communities, supporting Truth and Reconciliation Calls to Action through engagement, participation in community events, and culturally informed policing practices.

Throughout 2025, the detachment continued to leverage technology—including in-car cameras, body-worn cameras, evidence management systems, and records modernization, to enhance accountability, evidence quality, and officer safety.

Member development and wellness remained priorities. Supervisors supported ongoing training in investigative standards, mental health awareness, and de-escalation practices, while also supporting balanced workloads in alignment with the OPP Service Delivery Model.

In 2026, we will release our new 2026-2029 Peterborough County Detachment Action Plan. This is the first action plan developed under the *Community Safety and Policing Act* (CSPA). We are working closely with our Peterborough County OPP Detachment Board and engaging with community members to ensure the needs of our communities are reflected in the commitments we make for the next four years.

Development of the 2026-2029 Peterborough County Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan creating organizational alignment.

As we look ahead to emerging challenges and new opportunities in policing and community safety, our detachment members remain committed to our mission to serve our communities, protect our citizens, uphold the law, and preserve public safety.

Chris Galeazza
Detachment Commander
Peterborough County Detachment

Summary of Commitments

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
The Peterborough County Detachment is committed to investigative excellence through a victim-centered, trauma informed approach for all investigations. Thorough and complete investigations will assist in reducing violent crimes while ensuring that all victims receive the supports that they require. Locally, support our organizational commitment to work with law enforcement partners, justice, health, and social service officials to develop strategic responses to the opioid crisis and the impact of substance use issues have on our communities. To address and prevent property crime in our communities. This commitment is inclusive of fraud, mischiefs and improper or unauthorized use of lands.	To sustain a continuous and year-round focus on the causal factors of motorized vehicle, off-road vehicle and vessel collisions. Work collaboratively with municipalities/county and stakeholders to develop comprehensive plans to improve road safety. Agriculture is vitally important to our communities. As such, we will work collaboratively with the Peterborough County Federation of Agriculture and the Ontario Federation of Agriculture to create educational opportunities and enhance road safety for operators of farm implements of husbandry and drivers of traditional vehicles on our highways. Work diligently to ensure Peterborough's world class inland boating and historic Trent Severn Waterway is safe for all users.	Within the scope of our practice, participate in meaningful ways to address the 94 calls to action from the Truth and Reconciliation Commission (TRC). Ensure sufficient police resources and community engagement is focused on addressing mental health and addictions strategies and responses in our community. To ensure we understand and further the key commitments of the area's two Community Safety and Well-Being (CSWB) plans. The OPP is actively hiring. The OPP is one of North America's largest deployed police services with more than 5,500 uniformed officers, 2,500 civilian employees and over 600 auxiliary members. The OPP provides essential services that ensure the safety and security of the people within the province of Ontario. To meet this mandate, we need community members to apply to fill all roles.

2025 Crime Progress Results

Commitment	Progress Results
The Peterborough County Detachment is committed to investigative excellence through a victim-centered, trauma informed approach for all investigations. Thorough and complete investigations will assist in reducing violent crimes while ensuring that all victims receive the supports that they require.	Despite an increase in violent crime, the detachment maintained strong clearance rates across major offence categories and increased victim service engagement, reflecting sustained investigative quality and a victim-centred approach. This success was further strengthened by the work of the detachment Operational Analyst, who conducted focused analytical reports to identify emerging crime patterns, high risk locations, and contributing factors, enabling targeted enforcement, informed supervisory decision making, and more effective deployment of investigative and patrol resources.
Locally, support our organizational commitment to work with law enforcement partners, justice, health, and social service officials to develop strategic responses to the opioid crisis and the impact of substance use issues have on our communities.	Drug offences decreased to 14 total occurrences, with high clearance rates, while the detachment continued to work with health and social service partners to address substance related harms through enforcement, referrals (engagement), and education.
To address and prevent property crime in our communities. This commitment is inclusive of fraud, mischiefs and improper or unauthorized use of lands.	Total property crime decreased in 2025, including reductions in fraud and theft offences, supported by targeted patrols, investigative work and follow-up, and community awareness initiatives. These efforts were supported through collaboration with Victim Services of Peterborough-Northumberland, whose victim support and follow-up services helped reduce repeat victimization and enhanced community safety outcomes.

2025 Roadways, Waterways and Trails Progress Results

Commitment	Progress Results
To sustain a continuous and year-round focus on the causal factors of motorized vehicle, off-road vehicle and vessel collisions.	The detachment sustained a year-round focus on the primary causal factors of motorized vehicle, off-road vehicle, and vessel collisions. In 2025, alcohol-related collisions declined from 52 to 38, continuing a positive downward trend. Despite increased enforcement results throughout the year, the detachment observed an increase in fatal motor vehicle collisions from 4 in 2024 to 10 in 2025, and an increase in speed-related collisions to 140 from 129. This data allowed supervisors to direct enforcement and patrol deployment aimed at high-risk locations and behaviours. The detachment will continue to use a data-driven approach to collision prevention through enforcement, education, and collaborative safety planning.
Work collaboratively with municipalities/county and stakeholders to develop comprehensive plans to improve road safety.	Through collaboration with municipalities and key stakeholders, the detachment addressed high-risk locations and seasonal traffic trends through sustained traffic enforcement, targeted commercial motor vehicle (CMV) enforcement blitzes, and collaborative road safety audit reports, resulting in data driven enforcement strategy and improved roadway safety planning.
Agriculture is vitally important to our communities. As such, we will work collaboratively with the Peterborough County Federation of Agriculture and the Ontario Federation of Agriculture to create educational opportunities and enhance road safety for operators of farm implements of husbandry and drivers of traditional vehicles on our highways.	The detachment maintained ongoing engagement with agricultural stakeholders to support safety and educational initiatives on our rural roadways. In collaboration with partners, educational videos were developed to raise awareness around the safe operation of farm implements on public roads, while directed patrols were assigned to reported high farm vehicle traffic areas, contributing to improved compliance, visibility, and roadway safety.
Work diligently to ensure Peterborough's world class inland boating and historic Trent Severn Waterway is safe for all users.	Detachment marine officers maintained a visible and active presence on area waterways from May through September. Patrol efforts focused not only on the enforcement of applicable statutes, but also on proactive education and engaging with boaters to promote safe and responsible vessel operation.

2025 Community Well-Being Progress Results

Commitment	Progress Results
Within the scope of our practice, participate in meaningful ways to address the 94 calls to action from the Truth and Reconciliation Commission (TRC).	Members of the Peterborough County Detachment actively participated in community engagement initiatives that support reconciliation and strengthen relationships with Indigenous communities. In September, the detachment co-hosted a Truth and Reconciliation evening with the Hiawatha First Nation, bringing together local service agencies that directly support the community and fostering stronger collaboration and relationship-building.
Ensure sufficient police resources and community engagement is focused on addressing mental health and addictions strategies and responses in our community.	Increased collaboration with community partners, especially the local branch of the Canadian Mental Health Association (CMHA), supported improved responses to mental health related calls and higher utilization of victim and support services. The detachment and CMHA were the benefactors of a Ministry of the Solicitor General funding grant, supporting an additional Mental Health Clinician partnered with a uniformed officer in the Mobile Crisis Response Team (MCRT).
To ensure we understand and further the key commitments of the area's two Community Safety and Well-Being (CSWB) plans.	The detachment supports and advances the priorities of both local Community Safety and Well-Being (CSWB) Plans through a strong focus on prevention, collaboration, and community belonging. Activities emphasize upstream, relationship-based policing, particularly through meaningful youth engagement and outreach to racialized and marginalized communities. Our School Resource Officer plays a key prevention role by fostering positive relationships with students, supporting education and early intervention, and connecting youth to appropriate supports before issues escalate. Complementing this work, the Community Engagement Officer strengthens trust and inclusion by engaging diverse communities, supporting anti-racism and hate-crime awareness. Together, these efforts align with CSWB goals to enhance community belonging, improve perceptions of safety, and reduce reliance on reactive enforcement by addressing risk factors early and collaboratively.

The OPP is actively hiring. The OPP is one of North America's largest deployed police services with more than 5,500 uniformed officers, 2,500 civilian employees and over 600 auxiliary members. The OPP provides essential services that ensure the safety and security of the people within the province of Ontario. To meet this mandate, we need community members to apply to fill all roles.	The detachment supported recruitment efforts through community engagement and outreach, promoting policing as a career path within Peterborough County. In 2025, several members became recruit ambassadors, while others supported college and high school placement students during their school's co-op placements.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the *Community Safety and Policing Act (CSPA)*

To support SDM implementation, the OPP is undertaking a multi-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond effectively to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Meet municipal expectations for police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (Figure 1). These targets reflect how time should ideally be distributed by the end of the SDM staffing strategy.

The targets are based on a provincial average, and variations are expected between detachments due to differences in geography, operational structure, recruitment and leave of absence rates.

Detachments may face challenges in achieving these targets, but progress is expected as scheduling, data quality and strategic deployment continue to improve.

CONTACT THE OPP

Know your location - be ready to describe the situation and your location. Look for addresses, landmarks and buildings that may help identify your location.

REACH THE OPP BY PHONE

- Call 9-1-1 if there is an immediate risk to someone's life or property
 - to stop or report a crime in progress
 - to report a fire
 - to report a life-threatening medical emergency
 - Don't hang up, stay on the line
- To report non-life-threatening incidents that require a police response, use the non-emergency line (1-888-310-1122) or go to opp.ca/reporting
- TTY 1-888-310-1133 or agent 511 for registered subscribers may be used for individuals in the Deaf, Hard of Hearing and Speech Impaired (DHHSI) community to contact police
- For all administrative inquiries or to schedule an appointment, find contact information for your local detachment at opp.ca/detachments

PROVIDE AN ANONYMOUS TIP

- Call Crime Stoppers at 1-800-222-8477 (TIPS) or visit www.crimestoppers.ca

REPORT AN INCIDENT ONLINE

- The OPP offers online reporting for minor, non-emergency occurrences in areas of OPP jurisdiction. opp.ca/reporting allows you to submit a report without visiting or calling.
- Use the online reporting tool for:
 - Theft Under \$5,000
 - Mischief / Damage to Property Under \$5,000
 - Mischief / Damage to Vehicle Under \$5,000
 - Theft from Vehicle Under \$5,000
 - Lost / Missing Property Under \$5,000, including a licence plate(s) or validation sticker(s)
 - Driving Complaints

If you are reporting an emergency, call 9-1-1.

#KNOWWHENTOCALL

9-1-1 is for emergencies only: If there is an immediate risk to someone's life or property.

- ✓ a crime in progress
- ✓ a fire
- ✓ a life-threatening medical emergency

Dialed 9-1-1 accidentally? #Be911Ready. Don't hang up, stay on the line and speak with an OPP Communicator to confirm there's no emergency.

The misuse of 911 ties up emergency lines, communicators and officers, which can result in a slower response to a real emergency and risks the safety of people who may need urgent help.

It is against the law to call 9-1-1 as a joke. Prank 9-1-1 calls can be dangerous and waste valuable emergency resources.
