# Community Care

*Empowering you to live at home  
in the City and County of Peterborough*

May 7, 2025

Alana Solman  
Chief Administrative Officer  
Township of North Kawartha  
280 Burleigh St.  
Apsley, ON K0L 1A0

Dear Alana:

On behalf of Community Care and the clients we serve, I want to extend my heartfelt gratitude to your Worship Mayor Carolyn Amyotte and Council Members for your unwavering support and donation of \$3,183.62 to our Apsley office. Your commitment is a powerful reminder of the profound difference long-term support makes.

In a community where local resources for vulnerable individuals are limited, your contributions are a lifeline. Thanks to the township of North Kawartha, seniors and adults with physical challenges in Apsley can access life enhancing services such as Meals on Wheels and Transportation for vital medical and other appointments. Your impact reaches far beyond numbers – transforming lives and fostering a sense of security and dignity.

Fundraising is instrumental in helping us thrive and ensure the sustainability of our vital programs and services. We know that seniors and adults with physical challenges want to stay out of hospitals and long-term care facilities, preferring to remain in their own homes and communities that they love. You are helping us achieve that! As our local population ages higher than the provincial average, we are seeing a surge in need for our programs, and the need to subsidize these services for vulnerable individuals as well.

Katie Bryck, Community Development Coordinator in Apsley, and her volunteers do a wonderful job in supporting the health and well-being of individuals. Helping each other is what Community Care is all about. Please know how much your support is appreciated, not only by those we serve but also by those of us privileged to carry out this mission.

Sincerely,

Danielle Belair  
Chief Executive Officer

Cc: Katie Bryck, Community Development Coordinator
